

Create Content for Embassy Beirut's Social Media Platforms

Project Title	Create Content for Embassy Beirut's Social Media Platforms
Project Summary	We are looking for an intern to produce video and graphic content about student life in the United States. The intern should be an Arabic Language or Middle Eastern Studies student.
Country	Lebanon

Project Description

Public Affairs Beirut is looking for an intern who is active on social media and interested in Middle Eastern Affairs, to produce content for our social media platforms, including Facebook, Twitter, Instagram, and Youtube for our Lebanese youth audience. The intern should be comfortable speaking in Arabic, but need not be fluent. Photos, video clips, and short descriptions of student life and activities will be featured across our platforms.
